To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Cindy Bower. I have known Cindy for over 25 years both as a professional and as a personal friend. Over that period of time Cindy has been extremely helpful in providing many of our clients with power skating instruction.

Cindy's enthusiasm is infectious, her knowledge of the sport of hockey and the mentality of hockey players has enhanced her ability to help her students improve. Her attention to detail has been invaluable in helping our clients at MFIVE SPORTS improve their skating in an effort to achieve their goal of taking their game to the next level, whatever that level might be.

I have no hesitation in recommending Cindy Bower and her organization to provide skating instruction to young men and women who are attempting to enhance their opportunities at all levels of hockey, including its highest.

Should you have any questions, please feel free to contact me at your convenience.

Sincerely,

Anton Karl Thun
